brad-miller@fami.com

Summer Outing:

Gary Alford

(316) 352-5704

gary.d.alford@emcins.com

I am excited to be a part of the re-introduction of a newsletter for the Wichita Chapter! In looking back through chapter documents, the last publication I found was from 1994, and the content was wonderful. For this year, it is my goal to publish quarterly, providing updates on chapter happenings, society information, and possibly even some member spotlights. If there is anyone with interest or experience in publications, please contact Brad Miller, brad-miller@fami.com. He would love some assistance with this endeavor. For this first edition, there are just a few informational items to share.

This year, we have some changes to chapter funding of insurance education. We had a great response to the request for a vote on this matter, allowing for a quorum, which ultimately resulted in the chapter pledging \$1,350 to each Wichita State University Foundation, and Central Christian College in McPherson. These donations will help future insurance professionals and ensure a continuation of our success as an industry and a chapter. For more information about how these funds are being used, please feel free to contact a board member.

You recently received a letter from the society regarding the upcoming requirement for continuing education. Your involvement with chapter meetings and events will help toward those requirements! In preparation for this, I would encourage each of you to register if you have not, and log in to the society web site. This will be one less step you need to take in this process later, and you will gain access to the wonderful tools available there! www.cpcusociety.org

One of the most exciting things happening within our chapter, are the number of new designees who are also becoming members! As of this publication, our chapter already has 17 New Designees for 2016. Aloha, and welcome to the chapter! I hope you are able to attend the upcoming events, listed below.

Kara Lang, CPCU
Wichita Chapter President

Upcoming Events:

Tuesday, May 10 11:30 – 1:00 [Becca Heatherington, ISO Community Hazard Mitigation Fire Protection Analyst – EMC, Wichita](#)

Tuesday, June 7 10:00 – 4:00 [Summer Outing - Sand Creek Station Golf Club, Newton and Beau Monde Spa, Wichita](#)

No Meetings in July or August. Enjoy your summer!
